Dear Parent/Guardian,

RE: END OF TERM ONE CIRCULAR

On behalf of the Management, staff and the entire fraternity of Shining Stars Nursery & Primary School, I greet you and sincerely thank you for supporting us all through the Term.

Below are some of the Term One highlights;

1. ACADEMICS

We are doing everything possible to improve and maintain the academic standards of our learners and we have registered great improvement. We maintained the daily homework and revision, continuous assessment has been done all through which have kept our learners consistent. Thank you for all the assistance you have given to them while at home. Please counter sign the work done by your child and comment always.

2. FEES PAYMENT AND REQUIREMENTS

I thank all parents/guardians that have been able to pay all the school fees and requirements to zero. Our statistics of payment have improved tremendously as compared to last year. So far we are at 91% complete payment. We request those that were unable to complete **Term one school dues** to do so by **Friday 03rd May 2024 to pick the reports of your child/children**. For term II, please ensure that you pay at least half (50%) of the school fees and Transport before the reporting day and you will be expected to make the last fees payment by VD/Academic day via our several payment methods. School pay using MOMO or Airtel Money kindly ensure you have a code for your child/children or to the bank as shown below:-

Account Name: VVUMBA SHINING STARS NURSERY AND PRIMARY SCHOOL LTD

Account Number: 9030024004200

Branch: Acacia mall.

Bank Name: Stanbic Bank Uganda Limited

We also request you to bring all the school requirements on the first day since they help us to carry on with school work. Refer to the requirements' sheet in the child's file.

N.B. These requirements should be given direct to the class teachers on arrival except **School dues that MUST be paid to the bursar, school pay or bank account above.**

3. EMIS REGISTRATION

The Ministry of Education and Sports came up with a policy to register all school going children and updated every term. We thank parents who adhered to this. It is continuous to those who transferred from other schools and our new children of baby class. We still have children who are not registered since the parents never returned the forms given to the children. Always avail basic information of you and your child in the registration form to avoid inconveniences. We need parents' NIN and date of birth of the child/children.

4. HOLIDAY PACKAGE

Our children have been given holiday work. I urge you to supervise the children as they do it. Good handwriting and tidiness of the work should be areas of concern. Also, ensure that this work is brought and submitted in to the class teacher, on the reporting day of the term for marking and corrections. **For proper planning we request that holiday package be paid at the beginning of the term to the bursar.**

5. CO-CURRICULAR ACTIVITIES.

I have a pleasure to inform you that our children are now doing aerobic exercises every Tuesday and Thursday morning and they are enjoying these activities. We request you to advise them do physical exercises once in a while as they enjoy their holidays. We hope to participate in the ball games next term for our cluster and to organize a sports day at school.

6. COMPUTER LESSONS/STUDIES.

Previously we had made computer lessons optional at **100,000/-**, given the fact that ICT is the way to go, our computer classes were made compulsory to all our learners from **P.1 to P.6** this term at a fee of **30,000/=(Thirty thousand shillings) per term.** We hired a computer teacher to ensure that learning takes place as time tabled.

7. SATURDAY LESSONS.

Teachers have agreed to teach our children of primary level on **Saturdays from 7:30am to 12:30pm** for those who can come to school by themselves, Van service runs from Monday to Friday. Please be in touch with the teachers of your children about this arrangement.

8. BEGINNING OF TERM TWO 2024

Term Two will begin as shown below;

Boarders: Sunday **26th May 2024 (8:00a.m to 5:00p.m)**

Day scholars: Monday **27th May 2024(07:00am)**

Note: Our vans do not pick children on the first day of the term. They drop those that have attended school on the first day and pick up starting day 2.

You are requested to personally come with your child on the reporting day.

9. STUDY TOUR.

The school has organized a study tour for our children on **28th June 2024 for Nursery section and 05th July 2024 for primary section**. The reason for separating these tours is to ensure that learners visit places that suit their age. The places to visit will be communicated upon confirmation since they require advance booking. **Nursery children will pay 50,000/=(Fifty thousand shillings) and Primary will pay 60,000/= (sixty thousand shillings)**. For proper planning we request you to respond positively and make payments by **25th June 2024**. Payments for the tour should be made through class teachers and bursar in cash not through school pay.

NB: Our offices are going to be open throughout the holiday **Monday to Friday 8:am to 4:00pm and Saturday up to 01:00pm**. In case of any inquiries, feel free to come to us for consultations and updates. **Registration** of new learners is ongoing both **day and boarding**; recommend us to new parents to enroll their children.

Happy holidays with our children. We pray for God's/ Allah's financial provision and good health to enable you meet all the needs of our little ones. We promise to serve you better next term as we continue to arise and shine.

Thanks

Yours sincerely,

.....
